

HOPE for Honduras!

The **LESLIE** PRIDAYS

THAT THEY MIGHT SET THEIR HOPE IN GOD
Psalm 78:7

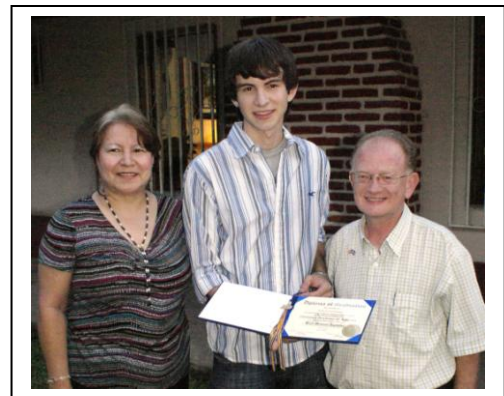

September 23, 2009

Dear Pastor and Church:

We praise the Lord for your prayer and financial support. The last several months have been filled with tension in Honduras as the political situation is still unstable. The situation had improved, but with the return of the former President this week, it has worsened. Truly our time is short to do the work the Father has given us.

We praise the Lord for Halbert's graduation from high school. We held a special supper for him with our family to celebrate and presented him his diploma. Please pray for him as he begins a new phase in his life. He has started college online. He is a big help in the church and working with the youth and the music.

In the month of August, the work in Barrio Abajo started a special evangelization program. Every week, we divided into groups and each one would make at least four visits. We praise the Lord that we had 15 saved as a result of the visitation. We had a special service with seventy-five present and presented a video called The Tribulation. Please pray that the Lord will continue to burden our people for lost souls.

Last week, I was privileged to preach a Bible conference in a church in Tegucigalpa, the capital city. I preached seven times in three days. The first day we had 160 present. We gave out 120 certificates of participation. It was exciting to see how the Lord is working with this Honduran pastor and church.

Thank you again for your prayers and financial support. It is our privilege to be your missionaries in the country of Honduras. May God bless you greatly.

Yours with Hope for Honduras,
